Storm Trackers Weather TRAINING NET CONTROL SCRIPT   03/07/2016

PREAMBLE:

Calling the Storm Trackers Weather **Training Net**,

Good evening this is KD2GTA Or KD2FRR (Call Sign) the **Net Control Station** for this evening's session of the Storm Trackers Weather Training Net. My name is _____ and I am located in _____ (Village/Town).

Any station with an actual emergency may break this net at any time by informing Net Control that you have an emergency and control of the repeaters will be turned over to you.

This net is in support of the Storm Trackers Team Finger Lakes Region for the purpose of training and information for local amateur radio operators to collect direct weather observation data and provide this information to the Storm Trackers Team .

We welcome and encourage all amateur radio operators to check into the net, whether you are Severe Weather trained or not.

This is a **Directed Net,** and as such all transmissions are to be made through **Net Control**. We ask, that once checked into the net, that you do not leave without first informing **Net Control.**

The net will call for stations to check in. Any stations with traffic for the net ", say "with traffic".

When checking into the net, please call this station _____ (**NCS Call**), drop your carrier to check for doubling, then after a slight pause, please first provide your call Sign Name And Location and list any traffic that you may have**.**

Please speak slowly, and clearly, there is no need to rush. The check-ins will continue until no more check-ins are heard.

CALL-UPS

I will now call for stations please call this station, _KD2GTA Or KD2FRR Depending on Whos Net Control _____, (**NCS Call**) **Net Control.**

> *If there are stations that are unfamiliar to us, please ask for their name and QTH.*

> *After check-ins say: "The Net welcomes the following stations……." Repeat the stations heard.*

PASS TRAFFIC and COMMENTS including Announcements / events / schedule nets. Chief/Deputy Chief traffic is to be passed first.

Follow-up with additional announcements, protocols or served agency news etc.

At this time : LAST CALL For late Check-ins:

This will be the last call for check-ins to the Storm Trackers Weather **Net**. "Stations who have not checked-in from any area may do so at this time, please call this station _____, **Net Control.**

After check-ins: The net welcomes the following stations." Repeat the stations heard.

CLOSING

This has been a regular session of the Storm Trackers Weather Training Net. I would like to thank all those who have checked into the net this evening for their participation and support for this Weather Communications Net.if you have any questions please feel free to email me at zoger77@gmail.com

In the event of an anticipated or actual severe weather emergency, all available operators are asked to standby on these repeaters for instructions.

Please be sure to visit Storm Trackers Team FaceBook Page

I Would Also Like to Thank N2MKT And the drumlins amateur radio club For The Use Of There AllStar Linking System Those Repeaters Are 443.250 And 146.745 And Are linked Together For The Weather Nets

This net meets every 4Th Tuesday And 1St Thursday 7:00 PM local time, The net is now closed and I will now return the repeatesr back to general amateur use.

This is _____, Net Control ……OUT……..73, Good Night to all
